SUBJECT: Third quarter budget review - amended City Manager's annual budget report

DATE: September 3, 2019

Attached is the third quarter budget review in accordance with the City Code of Ordinances.

The report is based on nine months of activity (October 2018 through June 2019) in this fiscal year. The report comments on major variances, as well as documents all proposed amendments.

Significant Fund amendments are outlined below:

General Fund

General Fund revenue and expenditure amendments reflect a net increase of \$952,766.

The General Fund expenditure increase at third quarter includes the following amendments: an increase of \$56,820 in the City Manager's Office for salaries of the new positions that were added in the current year; an increase of \$62,000 to CRA Administration for increased salary costs which is offset by increased transfer-in revenues from the CRA; an increase of \$30,000 in the Planning and Development department for construction inspection services offset by increased building permit revenue; a net increase of \$155,415 to Police and Fire supplemental pension to bring the budget in line with actual revenues and expenditures; an increase of \$2,246 in the Police Department for the third quarter safety award which is offset by revenues from the Central Insurance Fund; an increase of \$296,285 in transfers to the CRA to recognize increased TIF revenues; and an increase in transfers to the capital fund of \$100,000 for Sustainability Initiatives, \$100,000 for Belmont Park Revitalization, and \$150,000 for Environmental Assessment and Clean-up.

In addition, various revenues are amended at third quarter to bring the budget in line with anticipated receipts for the year. Adjusted for expenditure increases noted above, this results in a net surplus of \$3,064,035 to General Fund revenues at third quarter. This surplus offset the use of General Fund reserves allocated this year returning an estimated \$1.7 million to fund reserves.

<u>General Fund Reserves</u> – In order to ensure adequate reserves, the City Council's policy reflects that General Fund unappropriated fund reserves of 8.5% of the City's budgeted General Fund expenditures must be maintained as a reserve to guard against future emergencies.

Third quarter Budget Review Fiscal Year 2018-19 City Manager's Transmittal

With the closing of the year-end 2018 books, and the adjustment to reserves noted above, **estimated** General Fund reserves at third quarter are approximately \$28.8 million, or 19.0% of the preliminary fiscal year 2019/20 General Fund budget, exceeding our minimum reserve requirement by \$15.9 million.

Significant amendments to other city operating funds are noted as follows.

Gas Fund

Third quarter amendments to Gas Fund expenditures reflect a net decrease of \$262,953. Significant amendments include a decrease totaling \$297,870 to various operating expenditures primarily inventory/fuel for resale; a decrease of \$29,533 to interfund transfers; an increase of \$50,000 to interest expense, and an increase of \$13,000 to overtime.

Marine Fund

Third quarter amendments to Marine Fund expenditures reflect an increase of \$23,810 to taxes which are offset by revenue amendments recognizing reimbursements from marina tenants.

Airpark Fund

Airpark Fund expenditures are increased by \$15,000 at third quarter representing a transfer to the Airpark FDOT Security Grant project to provide the City's matching funds as previously approved by Council.

Parking Fund

Third quarter amendments to Parking Fund expenditures reflect a net increase of \$71,990 to fund increased personnel costs and vehicle purchases due to personnel changes. Budgeted operating revenues in the Parking Fund more than cover this expenditure increase.
