11B Number: 17-0606

This is an indefinite quantity contract with no guarantee goods or services will be required. The County does not guarantee a minimum or maximum dollar amount to be expended on any contract(s) resulting from this invitation to Bid (ITB).

## Section 1.2: Designated Procurement Representative

Questions concerning any portion of this solicitation shall be directed in writing [fax and e-mail accepted] to the below named individual who shall be the official point of contact for this solicitation. To ensure reply, questions should be submitted no later than seven (7) working days before the bid due date.

Donna Villinis, CPPB, Senior Contracting Officer Lake County BCC Office of Procurement Services 315 W. Main Street, Room 441 PO BOX 7800 Tavares, FL 32778-7800

Phone: 352-343-9839 Fax: 352-343-9473

E-mail: dyillinis@lakecountyff.gov

No answers given in response to questions submitted shall be binding upon this solicitation unless released in writing as an addendum to the solicitation by the Lake County Office of Procurement Services.

#### Section 1.3: Method of Award

The County intends to award multiple contracts under this solicitation to maximize coverage for the variety of brands it purchases for its operations. It is anticipated that multiple vendors may be awarded for the same brand. In this case, the County may request quotes from vendors under contract for the same brand if discounts are equal or if stocking issues are concerns.

As the best interests of the County may require, the County reserves the right to reject any and all offers or to waive any minor irregularity or technicality in bids received.

#### Section 1.4: Pre-Bid Conference / Site Visits

Not applicable to this solicitation.

#### Section 1.5: Term of Contract

This contract shall commence on the first calendar day of the month succeeding approval of the contract by the Board of County Commissioners, or designee, unless otherwise stipulated in the Notice of Award Letter distributed by the County's Office of Procurement Services; and contingent upon the completion and submittal of all required pre-award documents. The initial contract term shall remain in effect for twelve (12) months, and then the contract will remain in effect until completion of the expressed and/or implied warranty period. The contract pricing resultant from this solicitation shall prevail for the full duration of the initial contract term unless otherwise indicated elsewhere in this document.

## Section 1.6: Option to Renew

The County shall have the option to renew this contract for four (4) additional one (1) year period(s). Prior to the completion of each exercised term of this contract, the vendor shall be notified in writing of the County's intent to renew. It is the vendor's responsibility to request any pricing adjustment in writing under this provision at the time of renewal. The vendor's written request for adjustment should be submitted at least thirty (30) calendar days prior to expiration of the then current contract term. The vendor adjustment request must clearly substantiate the requested increase (with copies of manufacturer's invoices, notices of price increases, etc.). If no adjustment request is received from the vendor, the County will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period shall not be considered.

The County reserves the right to reject any written price adjustments submitted by the vendor and/or to not exercise any otherwise available option period based on such price adjustments. Continuation of the contract beyond the initial period, and any option subsequently exercised, is a County prerogative, and not a right of the vendor. This prerogative will be exercised only when such continuation is clearly in the best interest of the County.

### Section 1.7: Method of Payment

í

Invoices shall be sent to the County user department(s) that requested the items through a purchase order. The date of the invoice shall not exceed thirty (30) calendar days from the delivery of the goods or services. In addition to the general invoice requirements stated below, the invoice shall reference, or include a copy of, the corresponding delivery ticket number or packing slip number that was signed by an authorized representative of the County user department at the time the items were delivered and accepted.

All invoices shall contain the contract and/or purchase order number, date and location of delivery or service, and confirmation of acceptance of the goods or services by the appropriate

County representative. Failure to submit invoices in the prescribed manner will delay payment, and the vendor may be considered in default of contract and its contract may be terminated. The vendor shall bear all costs of correcting such rejected work. If the vendor fails to correct the work within the period specified, the County may, at its discretion, notify the vendor, in writing, that the vendor is subject to contractual default provisions if the corrections are not completed to the satisfaction of the County within ten (10) calendar days of receipt of the notice. If the vendor fails to correct the work within the period specified in the notice, the County shall place the vendor in default, obtain the services of another vendor to correct the deficiencies, and charge the incumbent vendor for these costs, either through a deduction from the final payment owed to the vendor or through invoicing. ## ADDENDUM NO. 1 November 22, 2016

## ITB 17-0606 Fire Equipment-Parts-Supplies-Service

It is the vendor's responsibility to ensure their receipt of all addenda, and to clearly acknowledge all addenda within their initial bid or proposal response. Acknowledgement may be confirmed either by inclusion of a signed copy of this addendum within the proposal response, or by completion and return of the addendum acknowledgement section of the solicitation. Failure to acknowledge each addendum may prevent the bid or proposal from being considered for award.

This addendum does not change the date for receipt of bids or proposals.

Acknowledgement of receipt of Addendum:

Questions concerning this solicitation are due December 2, 2016. The purpose of this addendum is address an inquiry received.

A vendor asked about the re-procurement costs mentioned in Sections 1.10, 1.11, and 3.27 of the ITB. The County reserves the right to charge a vendor re-procurement costs when the original awardee defaults in the performance of their contract, and the County is forced to obtain the goods or services from another higher priced vendor through re-procurement. This is standard language in the County's solicitations and is an option available to the County to try and recoup some of the losses associated with re-procurement.

The intent of this particular solicitation (ITB 17-0606) is to establish a pool of contracted vendors to cover the County's needs for various goods and services utilized by the Public Safety and Fleet Management Departments. Re-procurement would not normally occur for this type of solicitation because there are usually multiple sources available to meet our needs.
