Questionnaire

Question 1. What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1. * As a member of the Advisory Board I understand my responsibility would be to engage and encourage public interest on the rehabilitation and redevelopment of Clearwater Brownfield sites. I may be further required to share opinions on the future land use for identified areas to ensure community safety and environmental justice.

Question 2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2. * ☒ Yes ☐ No

Question 3. What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3. * Over the past 3 years I have worked to promote local innovation, entrepreneurship and sustainable real estate development in Clearwater. In my capacity as a former Project Manager I have had to coordinate team meetings and communicate with diverse persons on the best practices and environmentally conscious approaches in today's property development. In my capacity as the Co-owner and Chief Operating Officer of The Ring Workspaces, I actively seek to engage my team in working creatively, collectively and efficiently to ensure the best results and returns for our business.

Question 4. Why do you want to serve on the Board(s)?

Answer 4. * As public citizens we should aim to be assets in the environments and communities in which we live, work and play. As a young professional seeking to be a member of the Brownfield Advisory Board, I can engage a younger demographic of citizens to care and participate in the development activity within our Clearwater community. Being a part of the board, also means I am a part of the conversation and promotion of driving sustainable, safe and economically beneficial development also into the community.
