CITY COUNCIL MEETING

6:00 p.m.**

A public hearing will be held by the City of Clearwater, regarding the Penny for Pinellas project list for fiscal years 2020/21 through 2029/30 totaling \$130,580,000 to fund capital projects under the Penny for Pinellas plan.

This hearing will be held using a communications media technology platform. Information on the different options for participation can be found at the following link: <https://www.myclearwater.com/government/city-departments/finance-budget/budget>

Significant changes to the plan include:

Fire Engines/Ladder Truck Replacement – The replacement schedule for fire engines is being changed to advance the planned engine replacement from fiscal year 2021/22 to 2020/21. This results in the replacement of two engines in fiscal year 2020/21.

Public Safety Vehicle/Equipment Facility – The funding for this project, which provides for construction of a facility to store oversized vehicles and equipment for both the Police and Fire department, is being postponed to fiscal year 2021/22.

Interested parties may appear and be heard at the hearing or file written notice of approval or objection with the City Clerk prior to the hearing. Any person who decides to appeal any decision made by the Council, with respect to any matter considered at such hearing, will need a record of the proceedings and, for such purpose, may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based per Florida Statute 286.0105.
