

# CLEARWATER DOWNTOWN DEVELOPMENT BOARD

The Downtown Development Board's (DDB) primary purpose is to support activities that attract businesses, residents, and visitors to Live, Work, and Play in Downtown Clearwater.

## **Eligibility:**

Property owners, businesses, and residents located within the DDB district and/or projects that will occur in the district are eligible for funding. Funding requests will be considered on a monthly basis. The DDB will prioritize funding requests that align with their adopted work plan in the areas of Marketing and Businesses Assistance. A map of the DDB District is included with this application.

## **Types of Grant Funding:**

### ☐ Marketing Grant

This category includes activities that promote awareness of the District as a whole. It does not include marketing for individual businesses. Examples of grants in this category include: special events, district-wide advertising campaigns including development and implementation activities, market research, videos and print media campaigns, and arts programming.

### ☐ Business Assistance Grant

This category includes activities related to the retention and attraction of businesses as well as ancillary services, like transportation services, that bring more customers to the District. For example, funding the Jolley Trolley Downtown Loop or providing outdoor dining furniture. This could also include training for businesses on various topics that would enhance their operations, such as marketing or financial training, or grants for new signs.

## **Approval Process**

The DDB welcomes your funding request. Please follow the process outlined below:

1. The applicant will complete the request form and submit it to the Community Redevelopment Agency (CRA) once completed.
2. The CRA staff and applicant, at a scheduled time, will review the request form for completeness. At this time, the CRA staff may request additional information to submit the form to the DDB in preparation for a public hearing.
3. DDB members will review the request via email and may submit questions to obtain further information
4. The CRA staff will schedule the request to be considered at the next available DDB meeting. The applicant may be asked to attend the board meeting to present their request.
5. If the grant request is approved, the applicant will complete a grant agreement that outlines the grant request, proposed activities, timeline, budget, reporting requirements and other pertinent information
6. For special events, a post event report will be provided to the DDB within 30 days of the project's completion.

Funding requests may be submitted at any time throughout the year. The DDB may determine, on a case by case basis, issuing payments in advance of an activity/project or on a reimbursement basis for any approved funding. All funding requests must comply with state, local and DDB ordinances and/or policies.
