To Whom It May Concern:

This letter is to inform you that the *MowerMax* is a sole source product manufactured by ATMAX Equipment Co.

We do not have a dealer in Florida and therefore sell and service our MowerMax mowers and mower parts directly to the end user in Florida.

If you desire additional information, don't hesitate to contact me at (813) 634-1111 at any time or visit our website at www.mowermax.com. Thank you for your interest in our products.

Sincerely,

To Whom It May Concern:

This letter is to inform you that we are the sole source manufacturer and supplier of the Load and Pack system refuse vehicle and parts. We provide these systems to the major parks, trail systems and beaches throughout the USA. The biggest sales features of the vehicle are it can pick up speed, labor savings and reduction on major work comp. claims.

This unique vehicle is a one-man unit that is second to none and evolves from improvements and updates on a continuous basis. The standard life of a unit is 7-9 years depending on maintenance and environment. Your pay back is normally 2 ½ years or less depending on your current system in use and care of the machine.

Thank you for your continued interest in Broyhill vehicles and products. Please check our website for a full line up of our equipment at www.broyhill.com.

Sincerely,

Craig G. Broyhill

Tampa Truck Center and Fort Myers Freightliner Become Southport Truck Group

Re-branding Precedes Opening of New Dealership Facility

Tampa Truck Center and Fort Myers Freightliner, both wholly owned by Tampa Truck Center LLC, have united under a common brand name—Southport Truck Group. This re-branding precedes the completion of new 26,000 square foot dealership facility at 16110 Lee Road in Fort Myers and is part of a broader growth strategy on the part of the executive team.

Principal owner, Cary Addison puts it this way, “We almost did this 8 years ago when we acquired the Tampa location. We thought then, and know now, we don’t want to be constrained by a geographic orientation in our name, and we want our associates and customers to know we’re all on the same team.”

The Fort Myers facility represents a significant commitment to the commercial truck & RV customers of Southwest Florida. It will be the most modern [commercial truck dealership](#) in the area consisting of 17 service bays, a 5000 sq ft parts warehouse, sales offices, and ample parking for tractors, trailers, and RVs. The location is ideally suited with easy access from Interstate 75 via the Alico Road exit. It is projected to be fully operational by March 2018.

Mr. Addison explains, “Southport Truck Group will allow us to continue our growth strategy under a unified name. We are always looking for opportunities to expand and improve our ability to serve commercial truck and RV users.”

About Southport Truck Group

[Southport Truck Group](#), formerly Tampa Truck Center & Fort Myers Freightliner, is a full service commercial truck dealership representing Daimler Trucks North America’s Freightliner and Western Star truck brands as well as Mercedes Benz USA’s Freightliner Sprinter commercial vans. In addition, Southport Truck Group is an authorized parts, service and warranty provider for Freightliner, Western Star, Sprinter, Detroit, Freightliner Custom Chassis, and Cummins.
