BOARD QUESTIONNAIRE

1. What is your understanding of the board's duties and responsibilities?

For the Noise Abatement Task Force, I understand that my role on the task force would be to work alongside other community members

as well as aviation experts to ensure that aircraft noise is reduced so that it does not negatively impact Clearwater Residents, or the community at large

2. Have you ever observed a board meeting either in person or on the City's TV station C-View?

Yes, I have attended board meetings in person for the Downtown Development Board as well as the Strong Mayor Task Force

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

I have been fortunate to be involved in Clearwater serving as secretary for the Clearwater Neighborhoods Coalition

as well as being appointed to serve as a member on the Clearwater Charter Review Committee. I believe that these

experiences have given me the opportunity to learn more about Clearwater, the primary concerns of residents, and how

board meetings are conducted.

4. Why do you want to serve on this Board?

I enjoy being involved in Clearwater, and I believe that it is important for a youth perspective to be included in the decision making process.

Through the Noise Abatement Task Force, I believe it would give me the opportunity to help make decisions to ensure that residents throughout

Clearwater are not severely impacted by aircraft noise while ensuring that PIE can continue to grow as an international airport. Additionally, I toured PIE last year and become familiarized with their facility.

I have some knowledge of aviation, as my grandfather is a pilot.
