Hello Paula,

The current materials contracts include an option for another renewal and I fully expect the Executive Board to authorize the continuation of the current contracts through 6/30/2022. The serials and supplies contracts, respectively, will have utilized all of the renewal options as of 6/30/21 and we will issue a new RFP for those services. We will have new contracts for the serials and supplies in place by 7/1/2021 so there should be no lapse in service.

Thanks,  
Carolea
