1. 2. Have you ever observed a board meeting either in person or on C-View, the City's TV station? Yes, working with the FAST Organization has provided me an opportunity to sit in on a few of the meetings via Zoom.

3. What background and/or qualifications do you have that you feel would qualify you to serve on this Board?

____ I have been part of Social Justice all of my life fighting for change. I am all for the underdog speaking for the voiceless. Affordable Housing is a big issue in the low income neighborhoods. I want to help change this issue and make it affordable for the citizens not the landlords who benefit from a renters market. _____

4. Why do you want to serve on this Board?

___I want to serve to make a difference. My motto is "If you are not working on the solution then you are part of the problem" I simply want to make a difference in the community._____
