Questionnaire

Question 1. What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1. *
My understanding is that the duties include functioning in an advisory role relative to planning and development matters effectively serving as a local planning agency to advice Council in regards to the City Comprehensive Plan.

Question 2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2. *
☒ Yes ☐ No

Question 3. What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3. *
As the owner of a commercial construction firm, development group, and real estate brokerage, I've been fortunate enough to have been involved in a number of transactions that required municipal involvement either for our own projects or for our client's in countless municipalities around the state. We understand the vital role local government plays in managing future development while also maintaining ordinances that make Clearwater the beautiful place that it is. This takes strong leadership and commitment to a long range plan already in place by Clearwater.

Question 4. Why do you want to serve on the Board(s)?

Answer 4. *
Born and raised in Clearwater, aside from college, I've spent almost my entire life living and/or working in Clearwater. I've been blessed to be able to start and grow multiple successful businesses here and I'm convinced there isn't a better place to live or work in the country. I'd like to be able to give back out of my blessings and experience to help play a small role in making Clearwater even better for future generations.
