Questionnaire

Question 1. What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1. * To lead and advise City Staff and City Council on the issues and opportunities of the subject matter. To responsibly learn and understand how we can better serve the city's expectations and every local neighborhood. To work for the staff and help them deliver plans.

Question 2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2. * ☒ Yes ☐ No

Question 3. What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3. * I have been a successful manager of teams of 300+ over 40 years in retail in store and corporately. I am a good listener, curious and want the facts, data, to improve our performance often. Currently, we have many parks locked up, not available to the residents. I have taken the time to analyze our park inventory and care about making it better, more accessible and certainly more profitable for the city. Residents should have some benefits from their tax dollars. Likewise, we need creative thinking to maximize our current inventory and assets without much investment. It is all possible.

Question 4. Why do you want to serve on the Board(s)?

Answer 4. * I care very much about the recreational Greenspace here and how it can be understood, enjoyed, promoted in every neighborhood. Our inventory is not appreciated or used as it can be. Our amenities available are not published and shared well throughout nextdoor, our own website, and perhaps facebook. We can get more credit and be enjoyed by more people and families every week.
