Marine Biologist

Employer Clearwater Marine Aquarium

Relevant Work Experience I currently work at the Clearwater Marine Aquarium as a marine biologist. My main duties entail baseline data research on the local species populations and dolphin dorsal identification research. Most of my days are spent on the water! When I am not on the water I am teaching marine related lessons or performing offsite programming.

I also work on Captain Memo's pirate cruise enjoying the everyday activities of the Clearwater Municipal Marina.

Community Activities Sea Turtle Awareness Day
Crab Trap Rodeo
Beach cleanups

Questionnaire

Question 1. What is your understanding of the duties and responsibilities of the Board(s)?

Answer 1. * My understand of the duties/responsibilities of the Board is to show up timely so each board meeting ready and willing to hear out and make suggestions for future strategies and improvement of the quality of each topic presented.

Question 2. Have you ever observed a board meeting either in person or on C-View, the City's TV station?

Answer 2. * ☒ Yes ☐ No

Question 3. What background, experience, or education qualifies you to serve on the Board(s)?

Answer 3. * I have my Bachelor of Science degree through Bowling Green State University pursuing my current career as a marine biologist. I have lived in the city of Clearwater for over two years, and have participated in many events that revolve around similarities as this particular Marine Advisory Board does.

Question 4. Why do you want to serve on the Board(s)?

Answer 4. * As stated, I do spend most of my days on boats, working in and out of marinas. I pursued this field of marine biology because of my passion for it. I want nothing more than the best quality of our waterways for Bright and Beautiful Clearwater! I also would love an opportunity to serve on the board because I believe it would be an amazing experience to contribute to our city.
