CW - INCIDENT CW20-120161

Report Date: 09/03/2020

Narrative

SYNOPSIS OF EVENT:

On Thursday 09-03-20 at 2218 hours a derelict 27' sailboat bearing Florida registration FL2230RM was in the waters just south of 91 Memorial Causeway, at approximately N 27° 58' 28" W 82° 49' 03".

I've started a derelict vessel process to get this vessel removed as quickly as possible.

INVESTIGATIVE ACTION TAKEN:

I observed a white sail boat bearing FL2230RM. It was washed ashore in the mangroves on the Memorial Causeway.

This vessel was in a derelict condition. It had several barnacles on the bottom, and the it is ran aground in the mangroves.

I ran the vessel in David and it comes back to a Lisa Tilley.

This vessel is a hazard to water navigation especially at hours of darkness. It is not far from the ICW which is frequently traveled by many boaters every day.

I placed a five-day removal sticker on the vessel. I photographed the sticker and photographed the sticker.

The last known owner, Tilley, was found on DAVID

I have sent via certified mail and abandon derelict vessel letter to Tilley indicating that the vessel must be removed. The letter reads as follows:

TO: Lisa Tilley
1720 West Coral Ter
Ft Meyers, FL 33903

FROM: Officer James Perz
DATE: 09-03-20
RE: Derelict vessel CW20-120161

You have been identified as the last known legal owner or custodian of a 1977 27' sailboat, with HIN HUN050377KM01. This vessel is an abandoned and derelict vessel located south of the Memorial Causeway at approximately 27 58 28 N 82 49 03W in Pinellas County.

Sections 376.15 and 823.11, Florida Statutes, makes it unlawful for any person, firm, or corporation, to store, leave or abandon any vessel defined as derelict. Derelict is defined as in a wrecked, junked, or substantially dismantled condition upon any public waters of this state; or at any port in this state without the consent of the agency having jurisdiction thereof or docked or grounded at or beached upon the property of another without the consent of the owner of the property.

The Clearwater Police Department is authorized and empowered under state law, to remove or cause to be removed any abandoned or Derelict vessel from public waters in any instance when the same obstructs or threatens to obstruct navigation or in any way constitutes a danger to the environment. All costs incurred by our agency or its authorized agents in the removal of any abandoned or derelict vessel shall be recoverable against the owner/ custodian thereof.

In accordance with the above legislative mandate, The Clearwater Police Department hereby orders the last known legal owner/custodian of any abandoned or derelict vessel to remove the vessel from public waters within 30 days of receipt of this letter. Failure to remove the vessel may result in a civil and/or criminal penalty, pursuant to sections 376.15 and 823.11, Florida Statutes, and/or the removal of the vessel by the state at the owner's expense.

Your cooperation in expeditiously rectifying this violation is greatly appreciated.
Please contact me at 727-562-4242 or James.Perz@myclearwater.com if needed to discuss this matter.

CONTACT MADE WITH REGISTERED OWNER, TILLEY:

On Friday, September 4, 2020 at approximately 2130 hrs. I requested that are dispatch send a TTY to the Lee County Sheriff Department to attempt to contact Lisa Tilley at her last known address in Fort Myers.

On Saturday, September 5, 2020 at approximately 0100 hrs. Lee County Sheriff Department make contact with the registered owner of the vessel bearing Florida registration #FL 2230 RM, Lisa Tilley.

Tilley told me and told me that her phone number is 239-994-9750.

Tilley stated that she sold the vessel a few months ago to a man named Jack Brawley out of Arkansas. They sailed the vessel away and stated that they were going to be staying north of Clearwater. She stated that there were two phone numbers for Brawley, 870-373-3946, and 870-373-2373. She stated that she try to make contact with them and they have not responded back. I attempted call these phone numbers and no one answered nor has anyone called back.

I explained to Tilley that the vessel was still registered in her name and that she was responsible for the removal.

Narrative

SYNOPSIS OF EVENT:

On Monday, September 9, 2020 at approximately 1430 hrs. Lisa Tilley Drove up from Ft. Meyers to inspect the vessel and make a plan how she could remove it. She saw how far the vessel was up shore. She planned on coming back tomorrow and digging it out, then having Tow Boat US pulling the vessel free.

She is also taking steps to contact a salvage yard to find out where she could have the vessel taken to after it is released so it is not a continuous problem. She appears to be being very cooperative during this process.

Narrative

On Wednesday, January 20, 2021 at approximately 1300 hrs. I was informed by Sgt. Kasperek that we would be conducting additional follow-up to find information on the possible owner of the vessel involved in this case, bearing Florida registration FL2230RM. Lisa Tilley stated that she had sold the vessel to a man named Jack Brawley. She sent via email pictures of Brawley that she had found on Facebook confirming this to be the person she sold the vessel to. She also sent via email a picture of a portion of the vessel title. The picture captures the lower portion of the title. On the lower portion of the title, you can see Jack Brawley's name signed under the purchaser portion of the title.

Using the Linx program I was able to find an arrest record out of the State of Missouri under incident number #150381963 on June 25, 2015. This record showed a Jack Velar Brawley with a date of birth of 04 /19 /1966. With an Arkansas driver's license number of 924407497 expiring 4/21.

Sgt. Kasperek used the Elvis program and found a picture of the subject with an Arkansas driver's license. The picture of the subject was the same subject that was in the Facebook pictures that Tilley had sent by email showing Brawley sitting on the sailboat and dated in June 2020. In the pictures it shows Brawley sitting on the vessel, and also working on the vessel engine.

Today I took photographs of the vessel showing that the vessel Brawley was sitting on in the pictures is the same vessel involved in this case. I have uploaded 13 images of the Facebook pictures and the images I took of the vessel to evidence.com.

I am forwarding this information to the City Attorney's Office. I am requesting that a civil citation for the derelict vessel be sent to Brawley's last known address from his Arkansas driver's license. This address is 1700 Island Harbor Marina #43 Whitehall, AR 71602. And requesting that this is sent via certified mail with signature required. An image of the civil citation has been uploaded to evidence.com.
