RFP #09-21 Marine Vessel, Removal, Storage, and Disposal Services Exhibit A- Pricing Addendum per Divecom Marine

Divecom adjusted price referencing items on Exhibit A.

I.) Ref: Line items 1-4 "Derelict Vessel Removal & Disposal" 0-<60ft are referencing vessels that have met the City of Clearwater new ordinance of "derelict vessel" and will be billed via Divecom's terms and conditions consistent with Pinellas County Derelict Vessel (5 year) Contract # 190-0463-B(AJM)

II.) Ref: Line item# 5-8. Towing of vessels 0-<60ft will be billed on a per hour Portal-to-Portal on the water towing fee basis at \$200.00/hr within the city limits of Clearwater FL. Billing will be Portal-to-Portal with "Portal" start and end commencing and ending from the Clearwater Basin Marina owned, and operated by the City of Clearwater. Divecom's tow vessel will be GPS tracked with updated positions at every 5-minute intervals. Customer can view vessels' location free of charge via the AIS System or private GPS tracking system. A carbonless copy "tow log" will be provided on every case. Vessels time and tracked can and will be provided at any time upon request.

III.) Line item #9: Emergency Mobilization Fee is WAIVED in full and is no longer applicable to said contract RFP# 09-21.

IV.) Line item #10 Storage: "Storage" will be the responsibility of the vessel owner. After 7 or fewer days of "impound" at one of City of Clearwater's facilities, owner of vessel will be billed directly by City of Clearwater. If owner does not appear to recover and pay for said vessel's storage after 7 days at one of City of Clearwater's facility, Divecom will take custodianship of the vessel and move said vessel to a secure location of Divecom's choosing. At which time, Divecom will seek financial compensation for storage and administration costs accordingly after 7 days of "impound" once vessel has been moved to one of Divecom's facilities. The City of Clearwater will not be financially responsible for direct or indirect costs for said vessel and Divecom releases The City of Clearwater of any and all liability after Divecom becomes the custodian of said vessel. The City of Clearwater will be responsible for the cost of towing the impounded vessel from the City facility to the Seminole boat ramp. If said impounded vessel cannot be removed at City of Clearwater's Seminole boat ramp, it will not be towed there and written authorization will be required from a City of Clearwater representative for the towing of vessel to an acceptable haul out location. Upon vessel's arrival at Seminole boat ramp or a secondary approved haul out location, Divecom will assume official custodianship of the vessel.

V.) (Handwritten line item# 11.) "On Call Towing": Divecom will provide the City of Clearwater, Clearwater Police Department and other authorized subsidiaries of the City of Clearwater, on-call towing assistance in the event of, but not limited to, adverse weather conditions, *force majeure*, and any and all other situations requested by authorized departments and representatives of the City of Clearwater for "on-call on-the- water towing service". Divecom will provide requested on-the-water towing service for vessels, under the direction of an approved department or representative of the City of Clearwater to a directed point of safe harbor or mooring location. The directed or determined location by the City of Clearwater and/or its representatives for said vessel or vessel(s) will be defined and observed herein as the "safe harbor" for said vessel.

V.) (Handwritten line item# 11.) "On Call Towing": Divecom will provide the City of Clearwater, Clearwater Police Department and other authorized subsidiaries of the City of Clearwater, on-call towing assistance in the event of, but not limited to, adverse weather conditions, *force majeure*, and any and all other situations requested by authorized departments and representatives of the City of Clearwater for "on-call on-the- water towing service". Divecom will provide requested on-the-water towing service for vessels, under the direction of an approved department or representative of the City of Clearwater to a directed point of safe harbor or mooring location. The directed or determined location by the City of Clearwater and/or its representatives for said vessel or vessel(s) will be defined and observed herein as the "safe harbor" for said vessel.

Divecom assumes no liability for City of Clearwater as to any vessel, vessel owner, charterer, lienholder, etc., who claims damages for removal, damage or destruction, etc., of any vessel commenced or authorized by City of Clearwater.

This addendum has been made without prejudice to the parties to this Agreement to alter the terms thereof, in writing. This Agreement shall be construed as authored and approved by both parties, and shall not be construed against either party, but applied equally against both parties. In the event of dispute to this Agreement, the parties agree that such disputes shall be resolved in a Court of competent jurisdiction in Pinellas County, Florida.

Signed this 16th day of March 2021 in Pinellas County Florida.
