

Neighborhood Services

Jordan Morang, Neighborhoods Coordinator

What I'll be Discussing:

- What I do
- Why is it needed?
- What is Placemaking?
- Placemaking in action
- Success story

What I Do:

- Run the City's Placemaking Program
- Liaison between the City and Neighborhood Associations
- Assist residents with issues and questions

Why Is It Needed?

- Navigating the City is hard!
- Ally within the City
- Clear and continual communication
- Response aggregator

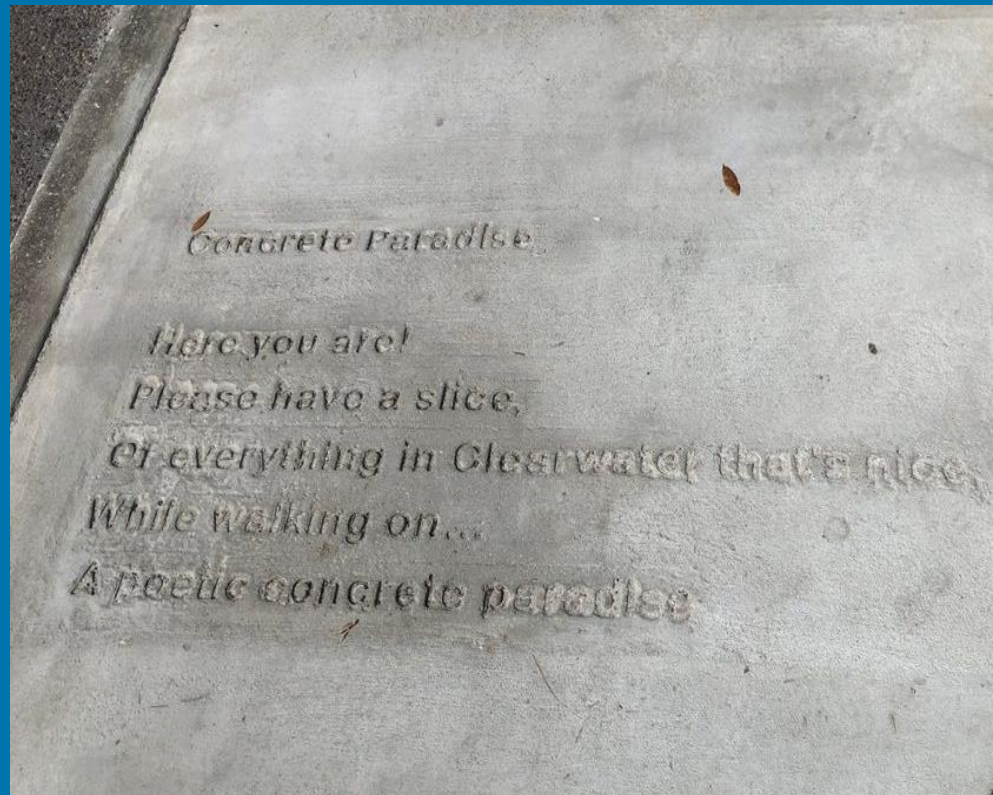

What is Placemaking?

- People-oriented public spaces
- Driven by community action
- Flexible and adaptive
- Allow physical, cultural and social identities to flourish

Success Story

Lake Bellevue Neighborhood

- Identified issues and concerns
- Worked together with the City
- Focused efforts

Success Story

Community Action

- Walk audit
- Murals
- Lake and Community Clean-Up Events
- Community Partnerships
- Friend of the Belle Petition

Thank you! Questions?
