Also my extensive HR Business Partner experience - Serving 10 years with JPMorgan Chase with a heavy concentration on enforcing policy and procedures to ensure a safe and positive work environment.

**Question 4.** Why do you want to serve on the Board(s)?

Answer 4. \* I believe it's important to give-back to your community; to be a change advocate and raise your voice to give way to positive change. Code enforcement seems like "the bad guy" or "policing" role but I'm a firm believer that policy/codes are there to safeguard the majority. I do believe some things should be challenged and reviewed to ensure it actually "makes sense" vs. applying old concepts out of sheer thought "it's just always been this way"
