## Education & Work

Highest Level of Education     Doctorate degree

Occupation     If retired, enter former occupation  
Retired attorney

Employer     McCarthy Building Companies, Inc.

Relevant Work Experience     Before I retired, I focused on construction for thirty years. As General Counsel for one of the largest construction companies in the United States which built projects of all types and sizes, I was frequently involved with building and other code issues in planning projects whether new construction or additions or renovations. Often during construction code issues would occur relating to the design of the project or how we were building it. This would require understanding the codes as written and implemented by the applicable authorities. Finally, there were situations when a completed project had problems and an understanding of the applicable codes was necessary to determine responsibility and solutions.

Community Activities     I was a member of the Clearwater Citizens Academy in 2019. Also, I have been a volunteer for the First Tee of Clearwater since 2018. When we lived in Orlando from 2010 to 2015, I was a on the community's Advisory Board of Governors and the Homeowners Association Code Enforcement Committee. I was also Chairman of the Greens Committee. For our subdivision in the St. Louis area, I was on the Homeowners Association Committee.
