RE: Renewal Letter for emergency use of Ross Norton Recreational Complex
Pinellas County File No.2006-0051

Dear Mr. Graham,

The City of Clearwater and Pinellas County have an Interlocal Agreement which allow the County to use the Ross Norton Recreational Complex during times of emergency. This agreement expires on October 10, 2021. I have confirmed that the County's Emergency Management Department desires to continue this Agreement with the City. Section 1 of the existing agreement requires written confirmation by both parties for a five (5) year renewal, beginning October 11, 2021 and ending October 10, 2026. We respectfully request your signature below confirming the City's desire to continue the Interlocal Agreement for the renewal period.

If there are questions or concerns regarding the renewal of the agreement, please contact the Real Estate Management Department, Real Property Division at (727) 464-3494.

Sincerely,
