All such notices shall be sent by mail to the last known names and addresses as indicated on the county tax roll. No permit for the moving of any building onto a site within the city limits shall be issued by the building official until the written application has been on file for a minimum period of seven days after filing of such application to allow the building official to give written notice of such application to all property owners within 250 feet of the proposed site.

EXCEPTION: A temporary permit may be issued for projects which do not require plan review such as roof work, water heater, change-out and air conditioning replacement by facsimile. In that event, the applicant has ten calendar days from the date the temporary permit is issued to make the proper payments and receive the regular permit. If the permit is not paid for within ten days of issuance of the temporary permit, the applicant shall pay a triple or ten times fee as described in appendix A of this Code.
