SUBJECT/RECOMMENDATION:

Approve the following request of employees Dane Heatherington, Engineering Department, James Hornaday, Gas Department and Anthony Sammartano, Fire Department, for a regular pension as provided by Sections 2.416 and 2.424 of the Employees' Pension Plan.

SUMMARY:

Dane Heatherington, Traffic Signal Technician, Engineering Department, was employed by the City on January 14, 1991, and his pension service credit is effective on that date. His pension will be effective October 1, 2017. Based on an average salary of approximately \$61,630.69 over the past five years, the formula for computing regular pensions and Mr. Heatherington selection of the Joint and Survivor Annuity, this pension benefit will be approximately \$45,271.20 annually.

James Hornaday, Gas Technician III, Gas Department, was employed by the City on June 13, 1994, and his pension service credit is effective on that date. His pension will be effective October 1, 2017. Based on an average salary of approximately \$55,182.48 over the past five years, the formula for computing regular pensions and Mr. Hornaday's selection of the 100% Joint and Survivor Annuity, this pension benefit will be approximately \$28,752.84 annually.

Anthony Sammartano, Fire Lieutenant, Fire Department, was employed by the City on March 3, 1997, and his pension service credit is effective on that date. His pension will be effective October 1, 2017. Based on an average salary of approximately \$109,662.12 over the past five years, the formula for computing regular pensions and Mr. Sammartano's selection of the 100% Joint and Survivor Annuity, this pension benefit will be approximately \$60,461.52 annually.

Section 2.416 provides for normal retirement eligibility for non-hazardous duty employees hired prior to the

effective date of this reinstatement (January 1, 2013), a member shall be eligible for retirement following the earlier of the date on which a participant has reached the age of fifty-five years and completed twenty years of credited service; the date on which a participant has reached age sixty-five years and completed ten years of credited service; or the date on which a member has completed thirty years of service regardless of age. For non-hazardous duty employees hired on or after the effective date of this restatement, a member shall be eligible for retirement following the earlier of the date on which a participant has reached the age of sixty years and completed twenty-five years of credited service; or the date on which a participant has reached the age of sixty-five years and completed ten years of credited service. Mr. Heatherington and Mr. Hornaday have met the non-hazardous duty criteria.

Section 2.416 provides for normal retirement eligibility for hazardous duty employees, a member shall be eligible for retirement following the earlier of the date on which the participant has completed twenty years of credited service regardless of age, or the date on which the participant has reached fifty-five years and completed ten years of credited service. Mr. Sammartano has met the hazardous duty criteria.
