### SUBJECT/RECOMMENDATION:

Approve the annexation, initial Future Land Use Map designation of Residential Urban (RU) and initial Zoning Atlas designation of Low Medium Density Residential (LMDR) District for 2048 The Mall, and pass Ordinances 9328-19, 9329-19 and 9330-19 on first reading. (ANX2019-09019)

### SUMMARY:

This voluntary annexation petition involves 0.114 acres of property consisting of one parcel of land occupied by a single-family dwelling. It is located on the west side of The Mall, approximately 570 feet south of Union Street. The applicant is requesting annexation in order to receive sanitary sewer and solid waste service from the City. The property is located within an enclave and is contiguous to existing city limits to the north, east and west. It is proposed that the property be assigned a Future Land Use Map designation of Residential Urban (RU) and a Zoning Atlas designation of Low Medium Density Residential (LMDR).

The Planning and Development Department determined that the proposed annexation is consistent with the provisions of Clearwater Community Development Code Section 4-604.E as follows:

- The property currently receives water service from the City. The closest sanitary sewer line is located in the adjacent The Mall right-of-way. The applicant is aware that the sewer impact fee must be paid prior to connection and of the additional costs to extend city sewer service to this property. Collection of solid waste will be provided to the property by the City. The property is located within Police District II and service will be administered through the district headquarters located at 645 Pierce Street. Fire and emergency medical services will be provided to this property by Station #51 located at 1720 Overbrook Avenue. The City has adequate capacity to serve this property with sanitary sewer, solid waste, police, fire and EMS service. The proposed annexation will not have an adverse effect on public facilities and their levels of service; and
- The proposed annexation is consistent with and promotes the following objectives and policy of the Clearwater Comprehensive Plan:

Objective A.6.4 Due to the built-out character of the City of Clearwater, compact urban development within the urban service area shall be promoted through application of the Clearwater Community Development Code.

Objective A.7.2 Diversify and expand the City's tax base through the annexation of a variety of land uses located within the Clearwater Planning Area.

Policy A.7.2.3 Continue to process voluntary annexations for single-family residential properties upon request.

- The proposed Residential Urban (RU) Future Land Use Map category to be assigned to the property is consistent with the Countywide Plan designation. This designation primarily permits residential uses at a density of 7.5 units per acre. The proposed zoning district to be assigned to the property is Low Medium Density Residential (LMDR). The use of the subject property is consistent with the uses allowed in the District and the property meets the District's minimum dimensional requirements. The proposed annexation is therefore consistent with the Countywide Plan and the City's Comprehensive Plan and Community Development Code; and
- The property proposed for annexation is contiguous to existing city limits to the north, east and west; therefore, the annexation is consistent with Florida Statutes Chapter 171.044.
