SUMMARY:

CIP project 91261 outfits firefighters with personal protective equipment (PPE). PPE provides a high degree of protection for firefighters, along with, providing many safety features members will use during an emergency response.

Per National Fire Protection Association Standard 1851, PPE gear has a ten-year shelf life. Currently CFR issues one set of gear and then a second set five years later. CFR is implementing the purchase of two sets for all new hires and continuing the replacement of current employees.

Approximately 11.36% of this purchase is funded by Pinellas County as approved in the fiscal year 2021/22 CFR budget by the County Commission. This reimbursement is a portion of the annual County Fire Protection Tax revenues received in the general fund as this equipment serves unincorporated residents of the Clearwater Fire and Rescue District.

This is a piggyback off of Lake County Contract No. 17-0606G, Fire Equipment, Parts, Supplies and Service valid through June 30, 2022.

APPROPRIATION CODE AND AMOUNT:

Funds are available in CIP project 315-91261, Personal Protective Equipment, to fund the balance of this purchase order. Funding for future years will be requested in the annual budget process.
