SUBJECT/RECOMMENDATION:

Accept a 10-ft. by 25-ft. Water Main Easement from the property owners for the construction, installation, and maintenance of water main facilities on real property located at 626 N. Highland Avenue and adopt Resolution 19-26.

SUMMARY:

Public Utilities requires a water main easement to be located on property at 626 N. Highland Ave. The property owners have agreed to grant the City an easement to accommodate the subject facilities. The Water Main Easement grants the City rights for the construction, installation, and maintenance of facilities within the easement area.

City staff recommends acceptance of the easement.
