SUBJECT/RECOMMENDATION:

Provide direction on Councilmember Beckman’s request for four free parking spaces by the Cleveland Street Post Office.

SUMMARY:

- Parking Systems supports CM Beckman’s request for four, free parking spaces by the post office.
- There are currently three 30-minute spaces at 25 cents/30 minutes. The surrounding spaces in the 600 block of Cleveland Street are at the same rate but with two-hour time limits.
- Recommend leaving the 30-minute time limit as currently posted.
- Revenues from these four spaces average~\$3000/year. Minimal revenue impact compared to overall parking operations.
- Minimal impact to downtown enforcement operations.
- If approved by City Council, these four spaces will be considered city council designated free spaces.
