### **SUBJECT/RECOMMENDATION:**

Authorize a contract with Angelo's Recycled Materials of St. Petersburg, FL, for debris disposal (yard trash, Class III, and Construction and Demolition debris), in an annual not-to-exceed amount of \$800,000, for a three-year term with one additional two-year renewal term at the City's discretion, pursuant to Code of Ordinances Section 2.564(1)(d) Cooperative Contracts and authorize the appropriate officials to execute same. (consent)

### **SUMMARY:**

The Solid Waste Department collects bulk trash, yard waste, and construction and demolition debris from both commercial and residential customers. This trash and debris (which excludes anything that could putrefy or produce leachate that poses a health or environmental threat) is transported by city collection vehicles to the contractor's State-permitted disposal facilities.

During May and June 2018, the City of Largo, FL advertised a request for bids (Bid 18-B-641) for Yard Trash, Class III and Construction Demolition Debris Disposal. The City of Clearwater and the City of Dunedin were cooperative bidders in this solicitation. Angelo's Recycled Materials was the lowest bidder for the items to be disposed and is recommended for award of the contract.

### **APPROPRIATION CODE AND AMOUNT:**

Funds are available as part of the FY 2018/19 Operating Budget of the Solid Waste Fund:

424-02082-543500 (Solid Waste - Residential Collection - Dump Fees) \$800,000
