### SUBJECT/RECOMMENDATION:

Approve the annexation, initial Future Land Use Map designation of Residential Low (RL) and initial Zoning Atlas designation of Low Medium Density Residential (LMDR) District for 2155 Bell Cheer Drive and an unaddressed parcel on Bell Cheer Drive; and pass Ordinances 8926-16, 8927-16 and 8928-16 on first reading. (ANX2016-06019)

### SUMMARY:

These voluntary annexation petitions involve two parcels of land totaling 0.470 acres. One parcel is occupied by a single-family dwelling and the second parcel is currently undeveloped. The parcels are located generally south of Druid Road, east of South Hercules Avenue, west of South Belcher Road and north of Lakeview Road. The applicants are requesting annexation in order to receive solid waste service from the City and will be connected to the city sanitary sewer as part of the Belcher Area Sanitary Sewer System Extension Project.

The property at 2155 Bell Cheer Drive is contiguous to existing city limits to the west. The unaddressed Bell Cheer property is not contiguous to existing city limits; however, it is in an enclave surrounded by city property on all sides (Type A) and is eligible for annexation pursuant to the Interlocal Service Boundary Agreement with Pinellas County. It is proposed that the properties be assigned a Future Land Use Map designation of Residential Low (RL) and a Zoning Atlas designation of Low Medium Density Residential (LMDR).

The Planning and Development Department determined that the proposed annexations are consistent with the provisions of Clearwater Community Development Code Section 4-604.E as follows:

- The properties currently receive water service from Pinellas County. Collection of solid waste will be provided to the properties by the City. The applicant at 2155 Bell Cheer Drive has paid the sewer impact fee in full and will be connected to the City's sewer system by the contractor soon. The

property owner of the undeveloped property will be required to pay the sewer impact fee in order to be connected to the City's sewer system at the time of development. The properties are located within Police District II and service will be administered through the district headquarters located at 645 Pierce Street. Fire and emergency medical services will be provided to this property by Station 49 located at 565 Sky Harbor Drive. The City has adequate capacity to serve these properties with sanitary sewer, solid waste, police, fire and EMS service. Water service will continue to be provided by the County. The proposed annexations will not have an adverse effect on public facilities and their levels of service; and

- The proposed annexations are consistent with and promote the following objectives and policy of the Clearwater Comprehensive Plan:

Objective A.6.4 Due to the built-out character of the City of Clearwater, compact urban development within the urban service area shall be promoted through application of the Clearwater Community Development Code.

Objective A.7.2 Diversify and expand the City's tax base through the annexation of a variety of land uses located within the Clearwater Planning Area.

Policy A.7.2.3 Continue to process voluntary annexations for single-family residential properties upon request.

- The proposed Residential Low (RL) Future Land Use Map category is consistent with the current Countywide Plan designation of these properties. This designation primarily permits residential uses at a density of 5 units per acre. The proposed zoning district to be assigned to the properties is Low Medium Density Residential (LMDR). The uses of the subject properties are consistent with the uses allowed in the District and the properties exceed the District's minimum dimensional requirements. The proposed annexations are therefore consistent with the Countywide Plan and the City's Comprehensive Plan and Community Development Code; and
- The property proposed for annexation at 2155 Bell Cheer Drive is contiguous to existing City limits along at least one property boundary. Therefore, the annexation is consistent with Florida Statutes Chapter 171.044. The unaddressed Bell Cheer property proposed for annexation is not contiguous to City limits but is located in a Type A Enclave; therefore, the annexation is consistent with the Interlocal Service Boundary Agreement authorized by Florida Statutes Chapter 171.204.
