SUMMARY:

Federal Emergency Management Agency's (FEMA) Public Assistance program is a Federal grant to aid State and Local governments in returning a disaster area to pre-disaster conditions. A Request for Public Assistance (RPA) was submitted and approved. FEMA and the State share the responsibility for making Public Assistance funds available to the Subgrantee/Subrecipient. It is now necessary for the City of Clearwater, as the Subgrantee/Subrecipient, to enter into the Agreement with the Florida Division of Emergency Management (the Grantee/Recipient).
