SUBJECT/RECOMMENDATION:

Approve Stantec Consulting Services, Inc. of Tampa, Florida as the design consultant to complete the design of the various elements of the Imagine Clearwater conceptual plan and authorize the appropriate officials to execute same.

SUMMARY:

In June 2017, a Request for Qualifications was issued for engineering firms to complete the design of the various elements of the Imagine Clearwater conceptual plan. Five firms responded to the request. The City's selection committee consisting of the Assistant City Manager, CRA Director, Planning and Development Director, Parks and Recreation Director, and Engineering Director chose four of the firms to provide oral presentations. Following the presentations the committee ranked the firms in this order: Stantec Consulting Services, Inc., Sasaki and Associates, Wantman Group Inc., and Cardno. The recommendation was based on the firm's experience and capabilities, project approach, and qualifications of available personnel.

A work order will be negotiated with Stantec and presented to Council for approval.
