SUMMARY:

The Solid Waste Department collects yard waste from our residential customers. This debris is transported by city collection vehicles to the contractor's State-permitted disposal facilities.

In May 2018 the City of Largo, FL issued Request for Bids (Bid 18-B-641) for Yard Trash, Class III and Construction Demolition Debris Disposal. The City of Clearwater and the City of Dunedin participated in this bid as a cooperative solicitation, with all entities' requirements represented in the bid. Consolidated Resource Recovery, Inc. was the lowest responsive, responsible bidder to provide the requested services.
