SUMMARY:

In August 2018, the City of Clearwater acquired the .73-acre unimproved lot via a multi-property land swap.

An independent appraisal was performed on the property on March 21, 2018 by Jim Millspaugh and Associates. The appraisal report determined that the fair market value of the property is \$640,000.00.

The CRA Director has requested the property be declared surplus for transfer to the CRA. City Staff recommends City Council approval of the CRA proposal, whereby the CRA purchases the property from the City with a sales price of \$364,782.89. The City Finance Director and the CRA Director have mutually agreed to the purchase price as said purchase price will make the City whole as to its investment in the property. The CRA's current plans are to utilize the property for a public parking lot to support downtown development.

The CRA intends to utilize the property for a public parking lot to support downtown development.

City stakeholders have reviewed and support declaring the property surplus.
