The Construction Manager at Risk Contract with Certus Builders was set to expire on August 4, 2020. Per Clearwater Code of Ordinances Section 2.561(8) and Article 12 (Section III, General Conditions), the City Manager approved an amendment extending the Contract until October 1, 2020. This Proposal further extends the Contract until completion and acceptance of this Project and upon final payment.

On December 3, 2015, Council awarded a contract to Certus Builders of Tampa, Florida in the amount of \$124,908.02 for the renovations and construction of Phase I to the restrooms at Barefoot Beach House, 332 S. Gulfview Blvd. Phase I consisted of expanding and improving the women's public restroom facilities at Barefoot Beach House and increasing the amount of water closets in the women's room from five to thirteen. This phase was completed in June of 2016.

Phase II in the amount of \$223,812.93 is for the renovation of the men's restrooms, expanding the number of toilet fixtures and providing a separate companion restroom for family use. Delays in construction of Phase II were caused due to FEMA building requirements.
