SUBJECT/RECOMMENDATION:

Accept three 10-foot utility easements from WSSA Palm Harbor VA, LLC for the construction, installation and maintenance of city utility facilities on real property located at 26286 US-Highway 19 North and adopt Resolution 21-15.

SUMMARY:

The Utility Easements will allow the city rights for construction, installation and maintenance of utility facilities on the commercial site.

The City Engineering Department recommends acceptance of the easements.
