SUBJECT/RECOMMENDATION:

Present virtual reality video of the final design and enhancements of Coachman Park. (WSO)

SUMMARY:

Subsequent to the redesigned Coachman Park, Stantec prepared a fully updated virtual reality video and photos of the current and final design. This virtual video overview of the new park and improvements are anticipated to be used to inform the public about their new waterfront park and performance venue before and during construction, as well as serve as a marking tool for park naming rights and sponsorship solicitation. A subsequent agenda item will be presented to further the discussion about this marketing effort.
