SUBJECT/RECOMMENDATION:

Approve Parking Consultant of Record contracts with Kimley-Horn and Associates, TimHaahs, and Walker Parking Consultants for a period of three years, August 4, 2016 through July 31, 2019, and authorize the appropriate officials to execute same. (consent)

SUMMARY:

On May 17, 2016, Requests for Qualifications (RFQ 36-16) were solicited from parking consulting firms to serve as Parking Consultants of Record for the City for a three-year period.

Four firms responded. Three were selected based on their experience as parking consultants performing quality work; consequently, staff is recommending entering into three-year contracts with these firms. These contracts will enable the City to continue to utilize well-qualified firms to complete a large variety of parking related tasks that will only be used for professional services related to construction projects estimated at less than \$2 million or a study not exceeding \$200,000. Funding sources for individual projects will be determined at time of work order approval.
