SUMMARY:

On June 20, 2002, Council approved a 20-year public/private partnership contract with Harris Corporation (Harris) for maintenance of the Clearwater Radio System, including two towers and related facilities. The contract calls for quarterly payments, adjusted annually to reflect current usage, performance, and changes in the Consumer Price Index (CPI) through the contract term, ending September 20, 2022.

Per contract terms Harris manages leased space on the two towers and revenue due to the City is deducted from the quarterly payment. In the most recent five years, revenues have averaged \$5,000 per quarter.

The term of this Service Agreement may be extended by one additional term of five years beyond the Initial Term on such terms and conditions to which the Parties mutually agree.
