SUBJECT/RECOMMENDATION:

Approve a Mutual Use Agreement with Tampa Bay Water for the installation of natural gas distribution mains and authorize the appropriate officials to execute same. (consent)

SUMMARY:

Clearwater Gas System (CGS) is installing a 6-inch natural gas distribution main along Sunlake Boulevard, just north of Tower Road in Pasco County. This main extension will serve the new Del Webb neighborhood currently under construction by Pulte Home Developer. CGS will be crossing the Tampa Bay Water (TBW) transmission line easement that runs parallel with the Tower Rd right-of-way.

To cross this easement, CGS will have to enter into a Mutual Use Agreement (MUA) with TBW. This agreement will allow CGS to connect CGS' main to its current distribution system that runs along Tower Road.
