File #: ID#19-5603, Version: 1

SUBJECT/RECOMMENDATION:

Approve the annexation, initial Future Land Use Map designation of Residential Urban (RU) and initial Zoning Atlas designation of Low Medium Density Residential (LMDR) District for 2720 Daniel Street and pass ordinances 9218-19, 9219-19, and 9220-19 on first reading. (ANX2018-11021)

SUMMARY:

This voluntary annexation petition involves 0.179 acres of property consisting of one parcel of land occupied by a single-family home. The parcel is located on the west side of Daniel Street approximately 210 feet southwest of Charles Avenue. The applicant is requesting annexation in order to receive sanitary sewer and solid waste service from the City. The property is located within an enclave and is contiguous to existing city limits to the west. It is proposed that the property be assigned a Future Land Use Map designation of Residential Urban (RU) and be assigned a Zoning Atlas designation of Low Medium Density Residential (LMDR).

The Planning and Development Department determined that the proposed annexation is consistent with the provisions of Clearwater Community Development Code Section 4-604.E as follows:

- The property currently receives water service from Pinellas County. The closest sanitary sewer line is located in the adjacent Daniel Street right-of-way. The applicant has paid the required sewer impact and assessment fees in full and is aware of the additional costs to extend City sewer service to this property. Collection of solid waste will be provided to the property by the City. The property is located within Police District III and service will be administered through the district headquarters located at 2851 N. McMullen Booth Road. Fire and emergency medical services will be provided to this property by Station #50 located at 2681 Countryside Boulevard. The City has adequate capacity to serve this property with sanitary sewer, solid waste, police, fire and EMS service. The property will continue to receive water service from Pinellas County. The proposed annexation will not have an adverse effect on public facilities and their levels of service; and

- The proposed annexation is consistent with and promotes the following objectives and policy of the Clearwater Comprehensive Plan:

Objective A.6.4 Due to the built-out character of the City of Clearwater, compact urban development within the urban service area shall be promoted through application of the Clearwater Community Development Code.

Objective A.7.2 Diversify and expand the City's tax base through the annexation of a variety of land uses located within the Clearwater Planning Area.

Policy A.7.2.3 Continue to process voluntary annexations for single-family residential properties upon request.

- The proposed Residential Urban (RU) Future Land Use Map category to be assigned to the property is consistent with the Countywide Plan designation. This designation primarily permits residential uses at

a density of 7.5 units per acre. The proposed zoning district to be assigned to the property is Low Medium Density Residential (LMDR). The use of the subject property is consistent with the uses allowed in the District and the property exceeds the District's minimum dimensional requirements. The proposed annexation is therefore consistent with the Countywide Plan and the City's Comprehensive Plan and Community Development Code; and

- The property proposed for annexation is contiguous to existing city limits to the west; therefore, the annexation is consistent with Florida Statutes Chapter 171.044.
