SUBJECT/RECOMMENDATION:

First Public Millage Hearing and adoption of Resolution 23-03

SUMMARY:

In accordance with Chapter 200 of the Florida Statutes, which defines the requirements for the “Determination of Millage” and the rules governing “Truth In Millage” (TRIM) compliance; the Downtown Development Board, DDB, must hold two public hearings to adopt a final millage rate for the new fiscal year.

Adopting this resolution to establish the millage rate is an integral part of fulfilling these requirements.

The DDB set a tentative millage rate of 0.9700 mills at the July 12, 2023, meeting, which is the rate that appeared in the TRIM bill notices mailed to taxpayers in August.

Resolution 23-03 is presented to adopt the millage rate of 0.9700 mills to support the operating budget for the 2023/2024 fiscal year.
